

Playstore account

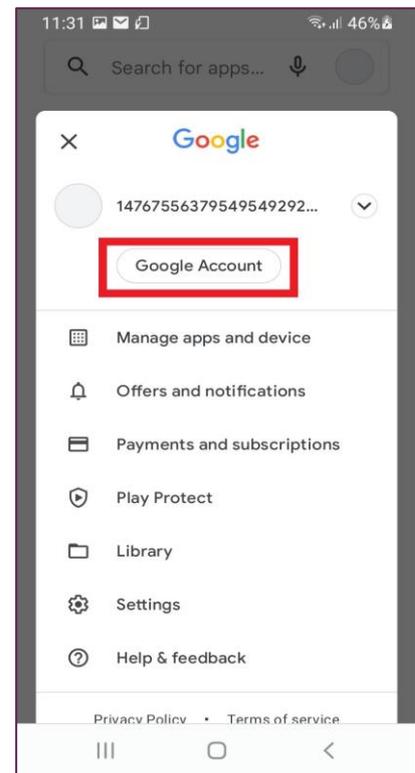

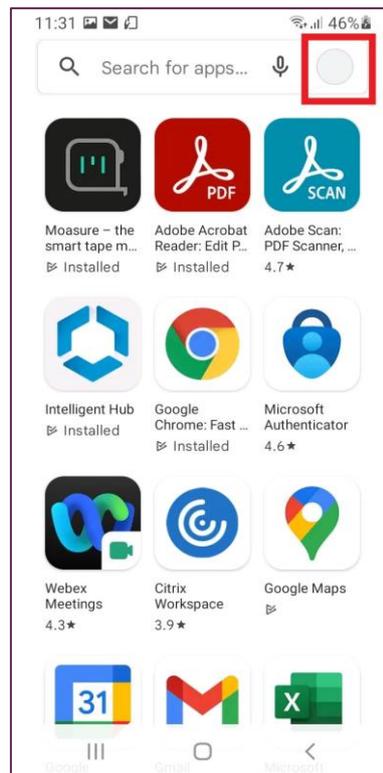

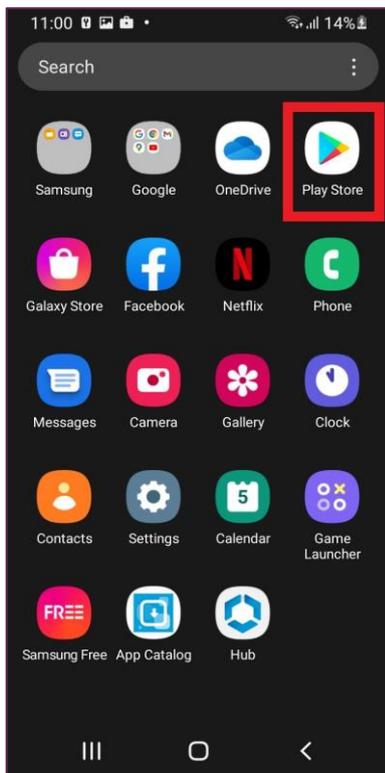

Model Type: XCover 5

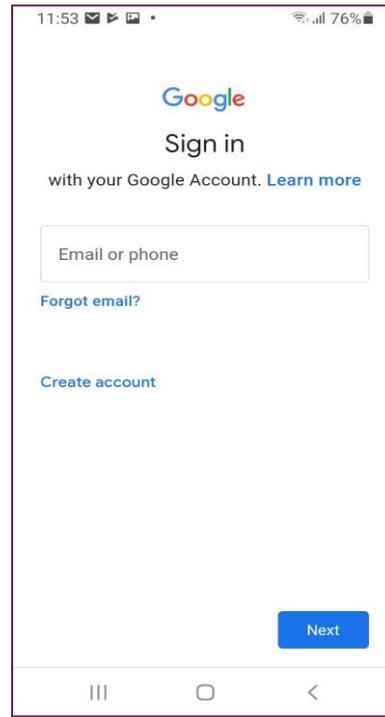

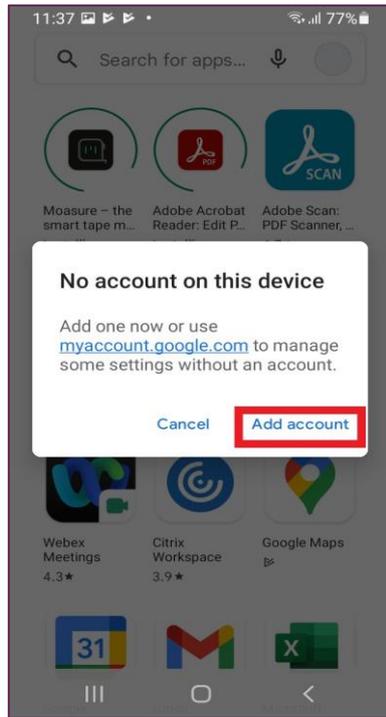

Adding personal email account to playstore on Samsung XCover5

Once a personal email has been added it CANNOT BE REMOVED unless the phone is wiped, this would mean the phone has to be re-enrolled

To add a personal account on the playstore please follow the below steps:

1. Ensure the user is connected to **non** HSE Wifi
2. First click into the Playstore
3. Click on the profile circle in the top right corner
4. Select Google account
5. Select Add account
6. Sign into your personal email account

If the new profile doesn't show up automatically please follow the steps below to change the account:

1. Click on the profile circle in the top right corner
2. Click on the downward arrow
3. Select the personal account you just added
4. The Appstore will then show up like below
5. To download apps not shown on home page *e.g WhatsApp*, just search for them using the search bar
